G.T.P. READY FOR IMMIGRATION

Board of Trade Hears from W. H. Hinton, Passenger Agent, and Desires to Co-operate in Work

POST OFFICE SUNDAY CLOSING

Dominion Government will be Asked to Guarantee Bonds of G. T. P. Railway Line Peace River Country

Among the many important questions discussed at the regular monthly meeting of the Board of Trade in the official chamber yesterday afternoon was Sunday closing of post offices. The meeting passed a motion that a committee of three take what action in the matter they saw fit, but even those most zealous in denouncing the initiative of the order admitted that Edmonton would have to submit in the end. It was pointed out by T. H. Miller and H. Gilbert that it was a great mistake for Edmonton and Winnipeg to attempt to get a preference in this matter over other parts of Canada where Sunday closing of post offices has always been the rule. An amendment was offered that such committee appointed look into the matter and report to the board instead of taking action themselves. The impression was given that the Lord's Day Act was responsible for the order from the Post Office Department. In that case an objection from a few Western cities would not likely be effective. The Board was strongly divided on the principle of Sabbath Day observance and the motion was carried by only a small majority. President Bennett will appoint the committee today.

A. C. Fraser succeeded in getting a motion carried urging the Dominion Government to take immediate steps to issue a colonization road, the G.T.P., for the construction of a line from Edmonton to the Peace River country. Objection was taken to making a specific mention of the G.T.P., but the feeling of the meeting was that the G.T.P. has surveys completed into the north country and that the government guarantee of bonds would result in the line being built. G.T.P. railway officials had stated as much on a recent visit to Edmonton.

G.T.P. Publicity Campaign.
The announcement was made in the form of a communication from W. P. Hinton, general passenger agent of the G.T.P., that the G.T.P. had completed arrangements whereby settlers from Europe or the United States might travel from the port of entry through to Edmonton on the G.T.P. line. Mr. Hinton also expressed a desire to have the Edmonton Board of Trade co-operate with his department in an extensive immigration campaign. The importance of the communication was urged upon the board by Mr. R. Jennings, with the result that Mr. Hinton will be congratulated for what has been

WILL BREAK ALL RECORDS

Immigration Officials Look for a Very Large Influx to Canada This Spring

Ottawa, Feb. 9.—An influx of immigration eclipsing the records of previous years, is indicated for this spring, according to reports received at the immigration bureau here. All of the steamship lines report heavy bookings, in fact to the capacity of the ships. This is in spite of the fact that the new regulations are calculated to keep out undesirable and those likely to be any burden on the country. The department also looks for renewed influx from the American west.

Our New Governor-General

London, Feb. 8.—The Chronicle devotes an editorial to the next Governor-General of Canada, in which it says he should be a man who would strike the imagination and notes how greatly the imagination of Canadians has been struck by the rumor that the Duke of Connaught is likely to take up the post. But doubts whether the appointment is probable. It anticipates that in any event that the government will appoint a statesman of personal prestige, who will maintain the traditions which had been enhanced in Earl Grey, the present Governor General.

Such an event cannot be regarded as of special social significance, and Dame Fashion will surely don her best bib and tucker for the occasion. Today's trains are bringing in the members and their wives from all points in the province. By the appointed time tomorrow there will be few interested parties who will not be in the place.

KNOTT'S TEAM DEFEATED MILLER

First Game of the Y. M. C. A. League Resulted in a Win for Knott—The Scores were Low

The first game of the Y. M. C. A. hockey league took place on Monday evening on the Y. M. C. A. rinks when Jack Knott's team met Miller's quartette. No very startling scores were rolled; in fact a two hundred score would have seemed a pair of priceless value beside the strings sent in. This was just a preliminary card and by the time the teams get well into the schedule we shall expect some high scores.

Miller took the first game and Knott the last two.

Knott's team	1st	2nd	3rd
Campbell	126	161	121
Butcher	145	161	121
Palister	122	145	176
J. Knott	155	135	138

Harmer 132 176 111
Matthews 174 134 138
Miller 124 97 97

ANDREW ROY BUYS PENDENNIS

Andy is now a Hotel Proprietor and Will be Glad to see his Friends at the New Stand

Andrew Roy has blossomed out as a boniface. Yesterday the transfer papers were duly signed and Andy is now Proprietor of the Pendennis Hotel. This will be good news to the many friends of the newest hotel keeper, in the city. Andrew is a popular chap and it is expected the Pendennis will become the sporting headquarters of Edmonton. Everything that "Gardie" has gone into on the golf has proved a success. He and Deacon started in the Hub Cigar store, opposite Johnstone Walker's, and made good from the very beginning. Increased business made a move to larger quarters a necessity and when Bill Pratt quit his store on the market it was immediately taken by Andrew and Deacon. Business just looked around and "Deacons" became known as the rendezvous for all athletes in the city. Lately an advertisement offer has been made them for the business and it was too good to turn down, so they sold out. Deacon then went east with the hockey team and Andrew, fretting over the job of doing nothing, began to look around for another business. Nat Bell's Pendennis looked pretty good to him and he soon closed for the hotel.

It is not yet certain whether Deacon will be in on this deal or not, but probably after he gets through landing a pennant for Edmonton he may be interested in the Pendennis and the firm of Roy and White be re-mitted. Meanwhile, we wish Andrew all the success going, in his new enterprise and feel sure he will make it a very profitable investment.

GRAND CHALLENGE GOES TO CALGARY

Skip Henry Trimble Wins the Blue Ribbon from Skip McGowan by a Score of 12 to 6

The Grand Challenge trophy, the Blue ribbon of the Edmonton bonspiel, was taken out of our hands yesterday afternoon by the crack Trimble Rink of Calgary. Edmontonians pinned their hopes to Skip McGowan of the Capitals, but he was not quite equal to the task. The game was played at the Granite rink and was witnessed by about three hundred spectators.

Trimble scored one on the first end and McGowan ended up on the next. Then Trimble drew away with a two to one end, making the score 4 to 1. On the fourth end Trimble was lying three but McGowan with his last rock succeeded in displacing two of the Calgary stones. On the fourth end Capitals scored 1 but fell behind on the sixth when Trimble counted three. McGowan went through the house on his last shot, giving Trimble three when he should only have had one. The seventh end was rather a peculiar one. When it came the rink to turn to play, the house was empty, the running game having proved deadly to many well-intentioned rocks. McGowan, having last shot, had no difficulty in placing his rock in the 4 foot ring, scoring one. Trimble counted one in the eighth end and two on the ninth. McGowan laid three in the tenth, making the score 10 to 6. Trimble came back with two in the eleventh and the game was then abandoned, the Grand Challenge going to Trimble by a score of 12 to 6.

The ice was keen and the running game, as practiced by Calgary was very effective. Archie McKillop, third man for Trimble, proved himself an adept at this style of play and did not miss more than one shot. Aid. Mould of McGowan rink was also in good form and made some splendid draw shots.

The rinks were:
Capital Calgary
Crosskill Each
Griffiths Parsonage
McKillop McKillop
McGowan (Skip) Trimble, (Skip)
Score by ends:
McGowan 0 1 0 0 1 0 0 3 0 6
Trimble 1 0 2 0 1 0 3 0 1 2 0 12

Grand Challenge Prize List

First prize—Cup, presented by Premier Rutherford and Attorney General Cross, and four club bags—Won by H. M. Trimble's rink, Calgary.
Second prize—Four pieces of glass—Won by McGowan's rink, Calgary.
Third prize—Four gold medals—Won by Nairn's Granite rink.
Fourth prize, four smoking jackets—Won by Telford's Vermilion Rink.

BERT BOULTON RELEASED

Shamrocks will put on the team that ended the game against the Wanderers tomorrow night against the Wanderers at the Jubilee rink. Boulton has been released and Bellamy will hold down the wing position. Shamrocks, it is understood will not sign on another man but to replace Boulton but will go along with the septette they have now, being Billy Hill and McLeair, of the Intermediates, as spares.

Wanderers will put on the team that played Hailybury last Tuesday at the Jubilee rink—Montreal Herald.

MORRIS' TEAM WON THE SUPPER

He and his Five Sturdy Bowlers will Eat Turkey at the Expense of Tom Scheutz's Braves—Scores Were High

A very good game took place at the Olympic Alleys last evening between teams captained by Eddie Morris and Sam Scheutz. The prize at stake was a turkey supper and those two teams did surely work hard. Morris' team were in championship form and took three straight. Some very nice strings were rolled. Miller had 188, 204 and 198 while Jack Knott rolled 200, 190 and 172. Horn rolled three consistent games, scoring 171, 190 and 190. Carmichael was high for the evening with 213. The detailed scores:

Morris team	1	2	3
Simonson	204	144	181
White	132	157	150
Grant	150	138	193
Carmichael	213	177	127
Miller	198	190	198
Morris	171	190	190
Totals	1061	1030	1047

Scheutz's team:

Russell 127 154 130
Knott 200 190 172
Horn 171 175 170
Scheutz 185 180 162
Totals 962 994 968

GENEROUS TOM SHARKEY

A Story from New York Casting Aspersions on His Good-Heartedness He Still has his Money

New York, Feb. 7.—While they were building the big tunnel in New York city, Pat Corrigan sauntered along one day and stopped to wonder.

The excavation where Corrigan made his halt was an immense one. There was an improvised bridge on which Patsy stood to marvel at the depth of the excavation and watch the crew of workmen below.

Mr. Corrigan was in now so genial a mood when a man asked him: "Begging your pardon, sir, but I'm a stranger in this city and would like to know very much what they are doing down there."

"Tom Sharkey lost a quarter here last week. That gang's digging for it."

Tom Sharkey was never known as a spendthrift.

WHO IS THIS MAN

who is this man encased in 'bin Chicago, Ill., Feb. 6.—President C. W. Murphy of the Cubs today, has announced the consummation of a trade with Manager Fred Lake of the Boston Nationals, whereby the city champions secure outfielder Clarence (Gingers) Beaumont in exchange for Recruit Fren Lisse, pitcher and outfielder, and a cash consideration, which, as is usual in such cases, is not made public. Manager Chance, at whose instance the deal was made, takes a view diametrically opposed to that prevalent in some quarters that Beaumont is "going back" or is "through," and Chance's opinion, in the words of President Murphy, "is good enough for me." Beaumont was regarded as one of the greatest outfielders in the business when a member of Pittsburgh club, but when his legs went back on him he figured in a trade with Boston with Richey in exchange for Abbaticchio. Last season he took part in six games and had a batting average of .263, which was surpassed only by Hofman, Zimmermann, Chance and Schulte, of the present Cub aggregation, if he does not displace Sheekard, Hofman or Schulte, the regulars of the West Side outer garden, he is a most valuable person to have attached to the payroll, as a utility man and pinch hitter. In the heyday of his success at Pittsburgh, Beaumont was a great man on bases and a sure fielder with a good wing.

TIGERS DEFEAT LACROSSE-HOCKEY

A Splendid City League Game in Calgary—Score 7 to 6—L.H. were Greatly Strengthened

Calgary, Feb. 8.—Last night's hockey game started with a rash and a hustle, and so continued throughout to the last click of the puck. The Lacrosse-Hockey team played like grand old three-year-olds and were on the bit from bell to bell, making the Tigers know that they were in the game and that they must play to win. The Tigers although they had about as hard work as they have had this season still were able to prove their superiority and won out by a margin of one, the score being 7-6 in their favor.

There was lots of hit and lots of scoring and the fans were kept on the roar from the time the game commenced.

Charlie Ronseau played splendidly, the best of this year and was a big factor in the scoring. Tom Melross on the wing, although handicapped by a badly strained knee played a very effective game, checking well and being dangerous with the puck, getting nicely in all possible combinations.

Laing played a good goal and Guay put up a fine game, while Plummerfeld did some good work at point. Eddie King, as rover, did some good work in the skirmish line and McDonald played a hard game and made a score unassisted.

On the Tiger side it might be said that they excelled in stick handling and had a shade on team work. Powell, as usual, played nicely and Gibson did good work, Anselme Melross played a hard and effective game and White molded in well with the combination of the forwards. Woe King as usual played where he ought to be all the time. Ernie Plinham played a good and handy wing, an Art-Lowes' brilliant dashes and stick work was something good to see. His shooting was also very good.

Gilbert Cardell was satisfactory as referee while Burton as judge of play let nothing escape him. He is a newcomer and a stranger in town but has had a lot of experience officiating in Brandon and Winnipeg games.

Tigers—Powell, Gibson, A. Melross, White, Loves, H. King, Plinham, Laing.
Lacrosse-Hockey—Laing, Plummerfeld, Guay, E. King, T. Melross, Ronseau, McDonald.

The great work of Barney Holden, cover point of the Shamrocks, was largely responsible for the one-sided score. Holden played a magnificent game, and many of the scores were made on his rushes.

PLAYED WITH BROKEN WRIST

Arthur Slack, Goalkeeper for Ottawa II, Gives an Exhibition of Game-ness that is Hard to Tie

played with broken wrist and still played in the excitement of the Cliffside. In the excitement of the Cliffside, Ottawa II, game Tuesday evening one of the rarest examples of sheer grit on the part of the youngest player passed unnoticed. For the last 17 minutes, during the most trying period of the contest, Arthur Slack, goal tender of the Ottawa II's, played faultlessly with a broken wrist.

A terrific shot in one of Cliffside's desperate attacks struck the youngster on the wrist. He was in great pain and he skated off for the doctor's inspection. Upon being informed that only seven minutes remained to play—although it turned out to be 17—he refused to retire and came out with a temporary splint and bandage to continue the fight. Fortunately the return match is yet three weeks ahead. It is then expected that his recovery will be sufficiently complete to enable him to fill the nets, where he has undoubtedly proved a proverbial tower of strength.

The incident was paralleled last season when Percy LeSueur, of the Ottawas, with a badly dislocated and broken thumb, used his stick with one hand for nearly the last 30 minutes in the first Wanderer match—Ottawa Free Press.

BETTER WITHOUT BRANDON AND WPC

Manager Deacon White says Western Canada League will Never Miss the Manitoba Cities

Deacon White, when asked what would happen if Brandon and Winnipeg withdrew from the Western Canada Baseball League, said it would be the best thing that could happen.

Though Winnipeg is the largest city in the west, they did not patronize the league last season in the manner they should have done. There is just a suspicion here that Winnipeg considers itself just a little too big to consort with cities like Calgary and Edmonton.

With Brandon and Winnipeg eliminated there would be a nice little league of clubs with the following cities comprising the circuit: Lethbridge, Saskatoon or Medicine Hat, Moose Jaw, Regina, Calgary and Edmonton. The mileage would not be excessive and with a reasonable salary bill there is no reason why each club should not make money.

Deacon today forwarded a contract to a new man named Riley who hibernates in Vermont. Riley is a protégé of Jack Grady's and the elongated twister says he is fine. Riley is a good wily man and though playing strictly professional ball in the past, has figured on some strong semi-pro teams. He is reported to be a fast man on bases, good fielder and a fair hitter.

Deacon has not been letting any grass grow under his feet and the roster of the Edmonton team for 1910 looks something like this:

Manager—Wm. White.
1st Base—Kelly.
2nd Base—Jack Brennan.
3rd Base—Mills.
Short stop—Riley or O'Brien.
Right field—Luss.
Centre field—Morrell.
Left field—Copehead.

Pitchers—Larnstead, Grady, McClair, and Sterling with several others among them Heinrich as possibilities. The catching department will not be neglected as Deacon White has lines out on the clearing off, in case Burridge goes to Vancouver.

This line-up presented is a very temporary one and Deacon is likely to shoot it full of holes any minute as the team to represent Edmonton for 1910 must play winning ball or men will be got to fill their places who can. Deacon will carry no useless players.

PADDY MORAN'S SNOW SHOVEL

Hailybury's Goal Keeper Knows all the Tricks of the Trade—Uses Coat-Tails to Stop Puck

An Ottawa exchange says: "It is doubtful if more than a handful of the thousands who witnessed the Ottawa-Hailybury match at the Arena Saturday night noticed the fact that Paddy Moran, the Hailybury goal-tender left his coat sweater lying open all through the match. This is one of the numerous schemes which the crafty Paddy has worked out with his goal-keeping, the idea being to assist him in keeping the rubber out of the nets.

Whether the sweater, lying around in Moran's wild endeavor to clear his nets, is a help or a hindrance is still being debated. Paddy refuses absolutely to go on the ice without a coat sweater, and last Saturday, when it was found that Moran's jersey had been left at the hotel, things looked serious until Horac. Gail volunteered to loan the goal keeper his vest.

Another one of Paddy's pet hobbies is a stick that resembles very much a board fence.

Bruce Stuart kicked strenuously against the club when Moran wielded so effectively in the last game, but Paddy is well within the rules of the league. His blade is only three inches in width but the extension runs the entire length of the stick, this odd feature giving it an extreme aspect.

Notwithstanding his peculiarities, Moran is one of the cleverest goal-tenders in the National League, and draws about two thousand "plunks" from the Hailybury club for his services.

GREAT ENTHUSIASM IN LETHBRIDGE

Chesty Cox will Manage Their Team in the Western Canada League for 1910

Lethbridge, Feb. 5.—Last evening the most enthusiastic baseball meeting Lethbridge has ever seen was held. The meeting was called for the purpose of reorganizing the club directorate for this year. A general discussion took place on the subject of finances for the club's support this year and the clearing off to year's indebtedness, which was found to be in the neighborhood of \$1,700. The land drawing contest was unanimously commended as a sound and sufficient method of putting the club on a good financial basis if it receives the support of the public that it deserves.

Lots have been secured in Lethbridge and a number of neighboring towns, for which tickets are being sold at 50 cents. There are 20 lots in all, divided into pairs each representing a number, and the holders of the lucky numbers, who are to be drawn for, will receive some very valuable property. A number of those present bought from 75 to 100 tickets.

Mr. Ekstrom has again donated the free use of the golf grounds to the club.

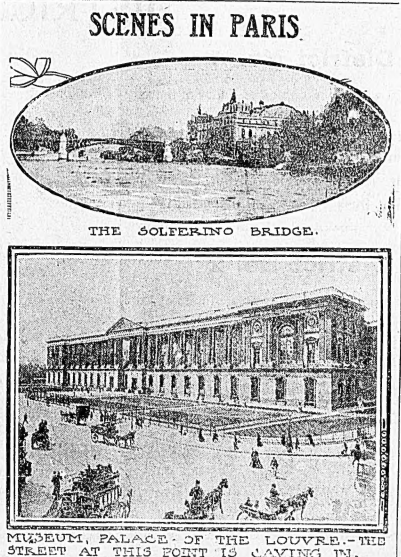

It was decided to merge the offices of secretary and treasurer into one and that a capable person who could devote the time necessary to fill the office thoroughly and receive the salary for the duties devolving upon the position be appointed.

The election of officers and members of the board of directors resulted in T. D. Kelvin being unanimously elected president; R. W. Wallace, vice-president; John Taylor, secretary pro tem; D. Elton, W. R. Dobbin, H. Nicholson, F. Sick, H. J. Smith, W. Murray, directors.

Benon Hatch was elected Lethbridge delegate to the league board of control.

It is generally expected that Chesty Cox will be asked to manage the Lethbridge team.

Pittsburg, Pa. Feb. 8.—Willie Hoppe the ex-billiard champion, tonight declared he would claim the championship by default if Sutton did not fulfill his agreement to meet him in Chicago on March 14, 15 and 16. Hoppe said: "This match was arranged in good faith by me and we agreed to meet in Chicago on the dates mentioned. It is strange that Sutton now desires to abrogate all arrangements and meet me for one night only in New York, which will not demonstrate the ability of a champion billiard player. I am willing to go through with the original proposition and Sutton must do the same thing or forfeit the title and the championship emblem."

No member of employer's family or employees of The Daily Capital, Saturday News or Alberta Homestead, or members of employees' families will be eligible as a candidate.

THE VOTING

The voting will be done by coupons clipped from the Daily Capital, Saturday News and Alberta Homestead and by certificates issued upon the payment of a subscription to the above papers. The coupons will be published in the Daily Capital, Saturday News and Alberta Homestead, and will be good for votes when neatly cut out, name of candidate filled in and brought or mailed to the contest department before the expiry date upon them. Certificates for votes will be issued as per schedule, published elsewhere in this announcement.

Votes cannot be bought, but are issued free when asked for when subscriptions are paid.

Candidates will be allowed to accept subscription money and give temporary receipts therefor. When the money is turned in at the Contest Department, a regular receipt will be given or mailed to the subscriber.

THE DISTRICTS

Each district is separate and distinct in itself, and the vote cast for candidates in one district has no bearing whatever upon the number of votes cast for candidates in other districts, except so far as the grand prizes are concerned. The grand prizes will be awarded to the two candidates receiving the greatest number of votes, irrespective of district. The district prizes will be awarded to the highest voters in each district (not winning a grand prize.) The candidate having the highest vote will be allowed first choice, the one having second highest vote second choice, and so on. Grand Prize winners are not eligible to win a district prize, as no candidate will be allowed to win two prizes.

Candidates may compete from where they reside or where they are employed.

Votes are not transferable.

Candidates may solicit subscriptions in other districts than the one from which they compete, or any place in the postal union.

AWARDING OF PRIZES

At the close of the contest the returns will be counted by a committee of well-known business men from the various districts.

The decision of the Contest Committee in making awards shall be final and conclusive.

All contestants in accepting nomination must agree to the above rules and regulations.

In the event of a tie between two candidates for any of the prizes, the value of such will be equally divided or another prize of equal value added.

Did as Gentleman Should

"If I am misunderstood it will be unfortunate of course, but I have only done what I believe a gentleman should do."

Herr John sat back in his chair and gazed at the paper before him. He said he was willing to have its contents made known in the hope it would do away with unpleasant reports. In the future about his marital affairs, but he attempted no further explanations.

The tenor's case is not like that of Ferdinand Pinney Earle, the socialist and artist, who sent his first wife abroad to get a divorce in order that he might marry a "soul mate."

Furthermore, Frau Jenny Jora did not cross the Atlantic to demand cash, as did Mme. Giulia Glacchetti of Caruso. Friends of the tenor likened his case to that of John Ruskin. Ruskin lived down all mockery; Herr Jora proposes to do the same.

accomplished and requested that he further communicate with the Board in order that it may determine just what he would like to see done.

Hon. Wm. Pugsley replied to the Board by letter in the matter of a Waterway Development company seeking a charter to get control of the waters of the Saskatchewan. The minister of public works thought the company was simply seeking the power to build canals connecting existing waterways. He assured the board that no

It sums up the story of a great part on a table before him was a long document in German.

"While singing at Freiburg in Baden I met the woman I made my wife. We were happy. Three children were born, and I struggled hard to provide a home for them."

"As the heavier operative roles confronted me I was forced to study all the harder. I became a student. My wife longed for other things. She made fun of my endeavoring to master five languages. She came to hate me singing only twice. On these occasions I appeared in Berlin."

"She wanted to live there and when I came to this country she remained. After I came here I realized we didn't understand each other. During my absence my wife fell in love with a physician in Berlin. She wrote me of it. But he has only a small practice and is poor."

Sends for His Wife

"I sent for my wife and she came here with my oldest daughter, Gretchen. This document is the result. In it I have agreed that she get a divorce so she can marry the man of her choice. Furthermore, I have bound myself to pay her \$25,000 in cash and \$1,000 a year until she is married again."

The document Herr John held was witnessed by the German consul. The name of the physician, Frau Jora is to marry was not mentioned.

"I know him," the tenor said, "but I cannot tell you his name, as I have not his permission to do so. One thing I wish to make clear, though, is that there is absolutely no scandal connected with this affair. Frau Jora's love for this man is as pure as that she gave me. She has been the best mother in the world and has done everything to make my children love me, and I have unhesitatingly entrusted them to her care."

Did as Gentleman Should

"If I am misunderstood it will be unfortunate of course, but I have only done what I believe a gentleman should do."

franco would be granted for the control of the Saskatchewan river to any company.

Peece River Proposition.

T. D. Piche, the present day Moses who would lead prospective Peece River settlers to the land of promise requested that the Board realize the importance of the new country and advertise the fact through the medium of his paper, the Peece River Pilot. The matter was referred to the publicity committee. Vice-President Fisher thought it unwise to encourage such a movement until better transportation facilities were offered. This he said was the opinion of the business men's committee of the board.

A resolution was introduced by Mr. Fisher that the board secure information from the secretary of the Railway Commission relative to proposed changes in tariffs and freight rates by railway companies, in the same manner as is now supplied to the Canadian Manufacturers' Association and the Winnipeg Board of Trade. President Dowsett said the object was to know what changes were under consideration so that they could be challenged if detrimental to commercial interests.

Before the meeting closed President Dowsett named the following nominating committee: A. C. Fraser, chairman; H. M. Martin, P. E. Lessard, G. Harrison, and W. C. Cundy. This committee will submit the names of candidates for office to be voted on at the next annual meeting.

REPRESENTATIVE PEOPLE IN FIRST PUBLISHED LIST

Are you among them? The list of candidates in the Daily Capital's prize contest is published today for the first time. Read the list, then call on or write the Contest Department and enter your name. The contest will now begin in earnest.

The nominations received so far are not only satisfactory but very flattering indeed. The proposition has been enthusiastically received and endorsed by all who are familiar with the project.

To give \$1,750 in prizes is no small undertaking. The prizes are seventeen in number and range in value from \$500 down to the fourth district prize. There is no luck or guessing in this contest.

The contestant with the largest number of votes at the close of the contest will be awarded the first Grand Prize, the \$500 Nordheimer Piano, and the one with the second largest number of votes will get the \$100 "Baudier" Nordheimer Piano.

Districts Nos. 1, 2 and 4 has four valuable prizes to compete for, while District No. 3 has three, so it is possible for as many as six prizes to be won in 1, 2, 3, 4 and 5, and five prizes in District No. 3.

The Voting Is Free.
By free votes is meant that beyond the mere payment upon subscriptions there is no charge, but that votes are allowed to every subscriber without any additional payment or cost. These votes are issued in accordance with the voting schedule in favor of some candidate selected by the patron.

A ballot will be published in both the Daily Capital and in the Saturday News and Alberta Homestead good for 10 votes. Write the name of the candidate you wish to vote for on the coupon. Send or bring it to the Contest Department of the Capital, and it will be added to the score of your candidate. A ballot box at the Contest Department is at readiness to receive newspaper ballots, certificates for votes issued with subscription and nominations.

Receipt Books.
Candidates and their friends should call at the contest department and secure books so that they may start at once to get the votes which will win them a costly prize. The sooner you start to work the sooner you will have

GIVEN FOUR MONTHS

Penalty for Man who Skipped Out and Left Wife and Children

Regina, Sask., Feb. 8.—A. W. Crawford, who was arrested in Winnipeg last week by Detectives Stark and Green, charged with deserting his wife

and five children in Regina, was sentenced by Magistrate Trant to four months with hard labor. Crawford is alleged to have skipped out with the wife of a man who lived in the same house with him, the two passing in Winnipeg under the name of Gris-ton.

A Young Capitalist's Exciting Experience

Two young and attractive women, who, according to Inspector McCafferty, have thrived on the money of wealthy men lured into side streets

just off Fifth avenue, were last week taken to the Jefferson Market Court, New York, for arraignment. The Chief of Detectives had the women arrested on the complaint of Mr. Warner M. Van Norden, of No. 8, East Sixty-second street, thirty-six years

A TRAGEDY OF PACKINGTON

Mah Jim, a Well Known Celestial, Makes Frenzied Leap at Purse-snatcher but Fails to Recover—Case Before Inspector Worsley

H. Cranshaw, who stands accused of stealing a purse, the property of Elizabeth Shaldford, on Friday evening, was up before Inspector Worsley of the R.N.W.M.P. yesterday.

Complainant was on hand to testify as were Mr. and Mrs. Mah Jim, who are Elizabeth Shaldford's employers.

The evidence painted Mah Jim as one of the most heroic men in Edmonton. At the risk of his own life he valiantly attacked the purse-snatcher, and in the words of the inimitable Tolly Webb, "as far as he was concerned the Marquis of Queensbury rules might never have existed. Gouging, choking and kicking, nothing was barred and it was only the timely intervention of Mrs. Mah Jim and a cab-driver that saved the dumplings Celestial from terrible injury. But we wander from the story.

Elizabeth Shaldford testified that, returning from the city on Friday last, she and the accused were the solitary occupants of a late street car. Both feeling lonely, a close acquaintanceship quickly came about, and they got so chummy that reaching the end of the track Cranshaw gallantly offered to escort complainant to her destination. This offer was accepted in the spirit in which it was given. Imagine their amazement when arriving at Mah Jim's palatial residence to find the door locked. In the course of the discussion that ensued Cranshaw borrowed Miss Shaldford's purse, containing ten dollars, and though repeatedly asked to return same persisted in sitting tight. Witness then went to get Mah Jim, who was returning to his home in the luxury of a liverly rig. On hearing the pitiful story Mah Jim looked around and with his keen eyes detected the villain hiding in the dark doorway of a butcher shop. The restaurateur stalked up and demanded the purse. The little spoken of above then ensued and resulted in Cranshaw getting away, purse and all.

Mah Jim telephoned for the Mounted Police and defendant was captured at the Transit Hotel.

Mrs. Mah Jim gave evidence that defendant had admitted having taken the purse, but when cross-examined by Cranshaw, who was his own Black-stone, seemed rather shaky in her evidence.

Mah Jim testified that he had paid complainant \$15 a short time ago and that she had purse and bills in her possession when she left for town on Friday afternoon. Complainant then stated she had not seen her purse or money since the night of the alleged theft.

The case is being heard again this morning, the driver's evidence being taken. E. P. Newell is acting for the crown.

PLEBISCITE ON THE QUESTION (Continued from Page Two.)

mitted an estimate of the quantity of sewer pipe of three sizes required for this year's work. On receipt of this A.L. Lloyd moved that tenders be called for.

The establishment of a power plant at the Grand Rapids on the Athabasca river will be considered by the council on the return to the city of the mayor and absent councillors. A communication was read from the Department of the Interior saying that the request of the council for permission would be considered in due time, but meanwhile the council was to make itself acquainted with the requirements.

Among the communications read were the following: From the Greater Regina Club, asking for information as to the operation of the single tax principle; from the Gamoque Harness Works, asking for considerations for the establishment of a factory in Edmonton; from the Union of Canadian municipalities, asking for a membership fee from the Edmonton council of \$30; from the local chapter of the Daughters of the Empire, offering to contribute a drinking fountain at the market square if it were turned into a city park; and from the Exhibition Association asking for street railway extension to Exhibition Park and consenting to devote a sum of money for the purpose of athletic grounds.

The names of Dr. John Park and Dr. A. W. Wilson were recommended by the Medical Association as members of the Board of Health in the place of the two retiring. The recommendation was adopted.

The matter of remedying the condition of things at the east end slaughter house on Norwood boulevard or closing it up altogether was referred to the city solicitor for a report.

The financial report, showing accounts of \$26,013.75, was passed.

WHOSE WORD IS TO BE BELIEVED?

Deadline in the Evidence which Seeks to Determine Whether Cranshaw Stole a Purse from Mah Jim's Domestic

At the hearing of the North Edmonton theft case reported in another column before Inspector Worsley at the Mounted Police Barracks this morning the driver who helped Mah Jim in his terrible struggle was called and gave evidence corroborating the story of yesterday that Cranshaw had failed to return the purse. Prisoner tried to get witness to admit that Mah Jim had pulled a "nickel-plated weapon" from his hip-pocket, but witness replied that he had seen nothing of the instrument of destruction.

H. Cranshaw then took the stand and related how he was on a car going to take the G.T.P. train to Wainwright and made the acquaintance of the young lady. One thing led to another until they got to Chumby's plaintiff gave him the missing purse to hold. When the time came to return same he did not do so, having left the valuables on the sidewalk outside the restaurant. Mah Jim then appeared on the scene and the fight ensued. Cranshaw escaped to the Transit Hotel and thence to the North Edmonton Hotel where he was arrested.

Peter Culey was called by the defence to try and prove the led character of the complainant, but his evidence was not accepted.

Prisoner when asked if he could give any references of character said that Ald. Turner, as he put it, "the oldest alderman in Montreal" would vouch for his good citizenship. Inspector Worsley reminded him that the old alderman in Montreal were a thing of the past.

Complainant denied all Cranshaw's allegations of improper conduct and said it was simply a case of theft. Owing to lack of witnesses it is just a question of whose word is to be believed, and the case will be resumed this afternoon.

SPORT SPARKLETS

Boulton, Shamrocks' clever wing, was hurt and bungle worn off the Canadians to win. Bernier was benched for hitting Holden, Decarie soon following. Playing four men to Shamrocks' six, Canadians' goal was in constant danger. Holden again took the pack down, this time passing to Smith, who scored the second game.

Bellamy took Boulton's place on the Shamrock forward line—Exchange.

Winchester proved indomitable in the net for the Irishmen, for when they did manage to pass the Shamrock defence the shots could not pass Winchester, he making some great stops of close shots. After hovering around the Shamrock net for some time Canadians scored their first goal, Pittre doing the trick on a pass from Decarie. Soon afterwards Decarie scored on a long shot. From the face-off Dundasdale took the pack down, scoring for Shamrocks unassisted—Exchange.

There is a story now being told in London club circles about one of the new knights. At a semi-private reception given in honor of a famous explorer a week or two ago, a man with a poor memory for faces, and, in addition, a little near-sighted, took a fellow member aside and spoke to him in a confidential whisper.

"You see that man standing by the door?" he asked.

"Yes."

"Well, I was talking to him a little while ago about the terribly cold weather."

There was a nod and a smile, and he went on to say: "The other knight said 'Do you know who he is?' he asked."

"No."

"Shackleton."

Yes---You Can Buy Things More Cheaply at a Store That Advertises!

If you were a merchant, would you rather sell a thousand yards of silk in a day, at profit of 10c. a yard, than to sell (without advertising) fifty yards, at a profit of 25c. a yard?

Isn't it plain that in all such instances the buyer gets the benefit of the advertised store? It's not even CHEAPER to patronize the non-progressive merchant—not to count the unwisdom of helping make it possible for reactionary and non-progressive merchants to still "do business."

The money cost of a journey—long or short—by stage coach (not to count time, or comfort) was greater than that of a present day journey by railway. The "old ways" of doing things were not even CHEAPER.

The cost of things in an old-fashioned store nowadays is greater than in the progressive stores—the advertised stores. It's not even CHEAPER to patronize the non-progressive merchant—not to count the unwisdom of helping make it possible for reactionary and non-progressive merchants to still "do business."
